Corporate Race Nights

- § In teams or individuals a Race night is a unique way to treat your guests to an authentic night at the races - without losing a penny!!
- § Race Events are one of the most cost effective and complete audience participated packages on the market.
- § Our professional staff will operate the whole event on your behalf. We will take the bets, while our enthusiastic compère cajoles your guests into parting with their fun cash.
- § After the final race is run, all the accumulated fun money is totalled and prizes are awarded to the player or team who has acquired the most money.

Complete Service

- § We are fully contained.
- § You can also link your race night with a Karaoke or video quiz, to provide a complete entertainment package.

Enhancements

- § To boost team funds! - After race 4, each team are given simple multiple choice questions worth £200.
- § When each bet is taken, we issue thermal tote ticket (just like at race courses). Our printed tote tickets include your company or event name, betting details, cash in bank details and team position.

Quality

We run between six to eight races all from DVD and no race is older than 2000. Professional commentaries are by Peter Bromley.

Each race has a number of PowerPoint slides, that display all the race card details, including Horse names, owners and fixed odds.

Behind the on-screen race card details is an interactive graph which displays tote sales as they happen. (Fun cards only.)

The Top	
South Choc	£18,790
Digital Digits	£18,190
Caroline Queens	£16,610
Wooden Spoons	£15,675
No Shirts	£11,104
Football Mad	£10,986
Flash Guys	£7,110
The Boozy Boys	£5,833

After each race winnings are calculated, totalled and displayed on screen.

A league table type 1st is then shown to display the "Top 10" cards in ascending order.

Then we display the team who has generated the most cash on the previous race.

The "Lower End" slide is then displayed. This shows the 10 cards that have the least amount of fun cash in the bank. This slide also displays the cards that have no cash in the bank - Should you want to present a wooden spoon award!

The Bottom	
The Vikings	£5,798
Barclays Raiders	£4,019
The Creative	£3,980
Scotch Girls	£3,876
In The Red	£1,764
Data Collectors	£1,653

Our 2,600 Lumen projection systems also give you the option to display your own graphics.

Package One

For individual play using Fun Money.

- § Each player is given the same amount of Fun Cash.
- § Bets are then placed and thermal tote tickets issued.
- § A DVD is then selected by a guest, and the race is on!
- § After each race the winning odds and the amount of winnings are both displayed on screen, and the winners are invited to collect their winnings.
- § Average duration with eight races and 50 individual players is 2 hours 30 minutes. This can be shortened by having less races.

Package Two NEW

For team or Individual play using our Unique Fun Betting Cards.

- § Each team is given a fun laminated "credit" card with 1000 credits.
- § A team runner is then nominated to place the team bets.
- § A DVD is then chosen at random by a guest and the form guide is shown via PowerPoint.
- § Bets are then placed at the betting desk using their fun laminated credit card which is scanned into our tote computer.
- § Thermal tote tickets are printed showing bets placed, cash in bank and position in "league table."
- § After all the bets have been placed, the race is run!.
- § After each race all card balances are calculated, and winnings for 1st, 2nd and 3rd place are automatically banked by the system.
- § Then "league tables" are shown displaying the top six, the bottom ten and players or teams who have no cash in the bank left.
- § We also display the player or team that has accumulated the most cash in the previous race.
